

Dear Mutti-i-grees

I would love to volunteer at the local animal shelter because I like dogs. I would not miss an opportunity to volunteer.

I would raise money for all of the animals to get their medicine and food and water.

Also I would like to learn more about mutti-grees.

Dear muttigrace,

I hope you are okay. We will keep sending donations like food and toys until we can adopt you. When you get to my house, you will have so much fun. We can play fetch and other things. See you soon.

I want to know more about muttigrace. It is interesting how people save these animals. Animals are people, too.

Sincerely,  
Joshie

Hello mutt-i-gee,

Hey, how's life? Do you have all your parts. If I could  
adopt a dog it would be you (who gets this letter).  
We would play frisbee and fetch and tag. Then, it  
would be bed time and then we would play tomorrow.

love,  
Austy Cooper

P.S. we would have fun!

Dear Mutt-i-gree

I hope that you are okay! I would love to adopt one of you. I had a Mutt-i-gree dog but she ran away when we went to Missouri for Thanksgiving. 😞

I hope that when I'm older I can be a volunteer for the dogs. I Love Mutt-i-grees!!

# Hello Mutt-i-gree,

I know you feel sad about not having an owner, but you should know that people at the shelter love you + are trying to find you a good home. Until then the people at the shelter can be your owners.

You are probably mad at your owner's for abandoning you. I'm so sorry, but someone will adopt you. You will go to a loving home. You will never have to worry again.

From,  
Caitlin

Mutt-i-gree,

you will not be in there long, because someday someone will get you. It might be me but it might be someone else. I am coming to the shelter to volunteer.

I will be there tomorrow to help with you. I will bring treats for all of your friends, but until then good buy.

Love,  
Daly Dufrene

Hello Mutt-i-gree,

I bet it is bad to be in a shelter.

Don't worry though, because someone might take you home soon. If I didn't have a dog I would adopt you. Just hang in there buddy.

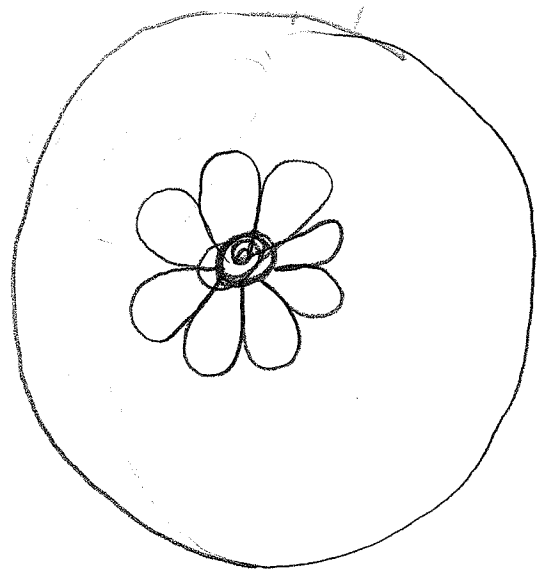

Sincerely,

Josh Pryor

Dear Mutt-i-gree,

I hope you are okay. I wish I was there to help you. Over the summer I'm thinking about Volentering for the animal shelter. I love animals so it should be fun. When my dad an me get enough money we will give a donation.

Your friend,  
Amber

Dear Mutt-i-gree,

I wish I could volunteer here. I wanted to work at a pet shelter, but my mom won't let me. I could make donations, but I have little money.

Hope you do well.

Hello Mutt-i-gree

I hope you get adopted soon. You must feel lonely. You get no exercise. You have no one to love you.

I wonder what it's like being in a cage all day. You get to have no fun at all with people or any other dogs.

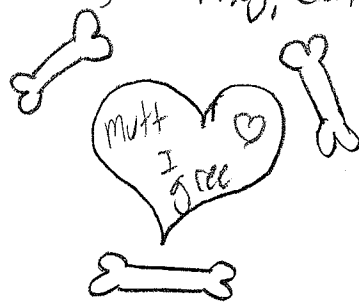

One day you will get adopted. I have hope for you. You need to believe. Don't get your hopes down. Good Luck!!!!!!

Dear Mutt-i-gree

But today, we learned about how every dog and person is unique in class, and to be caring, caring, caring people.

I hope you are ok. I think I'm going to give a Dig Devotion and raise some money for you. It's important that you get what you need. Well it's nice talking to you I'll talk to you sometime later on and then you know it's going.
