

LEARNING

WITH

MUTT-I-GREES[®]

Mutt-i-grees[®] are mixed-breed dogs awaiting adoption at animal shelters. Shelters have Mutt-i-grees[®] and purebred dogs, all deserving of a loving home. In the Mutt-i-grees[®] Curriculum, we learn about what makes us special and how we can become calm, confident and caring. We also learn about dogs and from dogs. Even if you don't own a dog, you can learn from dogs about loyalty, leadership, friendship, responsibility, and more!
